#### Certain Carbon Steel Butt-Weld Pipe Fittings From Thailand; Final Results of the Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce

**SUMMARY:** On April 7, 1997, the Department of Commerce ("Department") published in the **Federal Register** its preliminary results of the administrative review of the antidumping duty order on certain carbon steel butt-weld pipe fittings from Thailand (62 FR 16541). This review covers TTU Industrial Corp., Ltd. ("TTU"), a manufacturer/exporter of the subject merchandise to the United States. The period of review ("POR") is July 1, 1995, through June 30, 1996. Although we gave interested parties an opportunity to comment on our preliminary results, none of the interested parties did so. Because TTU failed to respond to the Department's questionnaire, as in the preliminary results of this review, we have used facts otherwise available in reaching the final results.
