Texas Gas Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

August 1, 1997.

Take notice that on July 29, 1997, Texas Gas Transmission Corporation (Texas Gas) tendered for filing the following revised tariff sheets to its FERC Gas Tariff, First Revised Volume No. 1:

Second Revised Twenty-first Revised Sheet No. 10

Second Revised Fourth Revised Sheet No. 10A

Second Revised Eighteenth Revised Sheet No. 11

The revised tariff sheets are being filed to suspend collection of the GSR surcharges collected from its NNS, FT, and SGT customers pursuant to Section 33.3 of Texas Gas' General Terms and Conditions. The current GSR surcharges resulted from Texas Gas' settlement in Docket No. RP94-119-000, *et al.*, which was accepted by Commission Letter Order dated September 18, 1995. Upon the payments of June invoices by transportation customers, Texas Gas will have fully recovered the portion of its GSR costs which are allocated to firm services in accordance with the provisions of the settlement, which are detailed in Section 33.3 of the General Terms and Conditions.

Texas Gas requests an effective date of July 1, 1997, for the proposed tariff sheets.

Copies of the revised tariff sheets are being mailed to Texas Gas' affected jurisdictional customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion

to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP97-656-000]

Texas Gas Transmission Corporation; Notice of Application

August 1, 1997.

Take notice that on July 21, 1997, Texas Gas Transmission Corporation (Texas Gas), P.O. Box 20008, Owensboro, Kentucky 42304, filed in Docket No. CP97-656-000 an application pursuant to Section 7(c) of the Natural Gas Act authorization to construct and operate a 4,600 horsepower compressor engine and associated facilities at the Haughton, Louisiana Compressor Station in Bossier Parish, Louisiana, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Texas Gas proposes to install and operate the compressor in order to expand the capacity of its North Louisiana supply lateral to accommodate firm transportation service for Union Pacific Fuels, Inc.

It is said that the estimated cost of construction is \$5,980,000. It is further said that Texas Gas seeks to roll the costs and revenues of the project into its systemwide rates.

Any person desiring to be heard or any person desiring to make any protest with reference to said application should on or before August 22, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to

intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 18 CFR 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Texas Gas to appear or be represented at the hearing.
