Southern Natural Gas Company; Notice of Filing

August 5, 1997.

Take notice that on July 31, 1997, Southern Natural Gas Company (Southern) submitted a filing pursuant to the Commission's Order dated August 30, 1995 in Docket No. RP95-404-000. In the Order the Commission directed Southern to file not later than three months prior to the second anniversary of the effective date of the continuation of its pricing differential mechanism (PDM) for recovery of gas supply realignment costs. The second anniversary of the continuation date of Southern's PDM will be November 1, 1997, and Southern anticipates that it will be unable to obtain reformation of all of its gas supply contracts prior to that date. Accordingly, Southern made this filing in support of a two-year continuation of its PDM.

Southern states that copies of the filing were served upon Southern's shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before August 12, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of Southern's filing are on file with the Commission and are available for public inspection.

Texas Eastern Transmission Corporation; Notice of Compliance Filing

August 5, 1997.

Take notice that on August 1, 1997, Texas Eastern Transmission Corporation (Texas Eastern) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1 and Original Volume No. 2, revised tariff sheets listed on Appendix A to the filing with a proposed effective date of September 1, 1997.

Texas Eastern asserts that the purpose of this filing is to comply with the Stipulation and Agreement (S&A) approved by the Commission in Docket Nos. RP90-119 et al., in order to remove costs associated with the merger between Panhandle Eastern Corporation and Texas Eastern and as a result reduce Texas Eastern's system rates by approximately \$4.7 million annually. Texas Eastern states that Article I, Section 4 of the S&A provides that at the time of the termination of the collection period for the consolidation costs associated with the merger between Panhandle Eastern Corporation and Texas Eastern (Consolidation Costs), Texas Eastern will make an appropriate compliance filing to remove the Consolidation Costs from its rates. Texas Eastern also states that Article I, Section 4 of the S&A provides that the compliance filing removing the Consolidation Costs will not constitute a new Section 4 filing, will not be subject to suspension and will be subject to review on the sole question of whether it accurately implements Article I, Section 4 of the S&A.

Texas Eastern states that copies of this filing were served on firm customers of Texas Eastern, interested state commissions, current interruptible customers and all parties to the S&A.

Any person desiring to protect this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public
