

with the text of 36 CFR, part 51, as revised on October 5, 1992.

2. Chapter 19 of NPS-48 is amended by deleting the first sentence of subsection G and replacing it with the following two sentences:

When a concessioner's Annual Overall Rating is Unsatisfactory for a year, or Marginal for two consecutive years, it constitutes grounds for termination of the contract/permit. Further, if a concessioner receives an annual overall rating of Unsatisfactory during the last year prior to issuance of a prospectus, or an annual overall rating of Marginal during the 2 years prior to issuance of a prospectus, then the concessioner is not entitled to a right of preference in the renewal of its contract or permit.

3. Chapter 24 of NPS-48 is clarified, effective immediately as a matter of law, by adding the following two sentences to the end of the first paragraph of section 5.i.:

Franchise fee waivers are only permissible under this section or otherwise where the concession contract or permit in question contains an express provision which authorizes such a waiver or when payment of franchise fees is otherwise excused by operation of law. In addition, even in circumstances where a concession contract or permit contains such an express franchise fee waiver provision, such waiver authority applies only to payment of franchise fees; it does not apply to any other financial or other obligations a concessioner may have under the terms of a concession contract or permit unless the contract or permit in question expressly so states.

3. Chapter 29 of NPS-48 is amended by deleting subsection D.2.b.

4. Chapter 21, Standard 1, of NPS-48 is amended, effective immediately, by deleting existing Standard 1 and replacing it with a new Standard 1 conforming with the revised "Food Code" (exclusive of Annex 1 thereto) issued by the United States Public Health Service in 1993. Copies of the revised Standard 1 are available upon request.

All other portions of NPS-48 remain in effect.
