affecting agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Application for Multifamily Housing Projects.

OMB Control Number: 2502-0029.

Description of the need for the information and proposed use: 24 CFR Section 207.1 requires applications for site appraisal and market analysis (SAMA) and conditional and firm commitments will be submitted to the local HUD Field Office on FHA approved forms. This information is used by HUD to determine the project's feasibility and mortgagor/contractor acceptability. Insufficient information during the project underwriting process could result in increased project defaults and claims against the FHA Insurance Fund.

Agency form numbers: HUD-92013, 92013-NHICF, 92013-SUPP, 92013-HOSP.

Members of affected public: Contractor/Mortgagor.

An estimation of the total numbers of hours needed to prepare the information collection is 45,862, the number of respondents is 6,257, frequency of response is on occasion as successive work items are completed at a construction site.

Status of the proposed information collection: Reinstatement without change.

Authority: Section 236 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: August 5, 1997.

Nicolas P. Retsinas,

Assistant Secretary for Housing-Federal Housing Commissioner.
