

intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for FGT to appear or be represented at the hearing.

Midcoast Interstate Transmission, Inc.; Notice of ACA Filing

August 15, 1997.

Take notice that on August 12, 1997, Midcoast Interstate Transmission, Inc. (formerly Alabama-Tennessee Natural Gas Company) (Midcoast), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheet with a proposed effective date of October 1, 1997:

Fourteenth Revised Sheet No. 4

Midcoast states that the purpose of this filing is to reflect a \$0.0001 per dekatherm increase in Midcoast's rates under its Annual Charge Adjustment (ACA) clause that results from a corresponding increase in the annual

charge assessed Midcoast by the Commission.

Midcoast requests any waiver that may be required in order to accept and approve this filing as submitted.

Midcoast states that copies of the tariff filing have been served upon the Company's affected customers and interested public bodies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Mississippi River Transmission Corporation; Notice of Application

August 15, 1997.

Take notice that on August 12, 1997, Mississippi River Transmission Corporation (MRT), 1600 Smith Street, Houston, Texas 77002, filed in Docket No. CP97-693-000 an application pursuant to Section 7(c) of the Natural Gas Act for authorization to return to service for a 3-year period a 93-mile segment of its 22-inch Main Line No. 1 and facilities appurtenant thereto in Missouri and Arkansas, all as more fully set forth in the application on file with the Commission and open to public inspection.

MRT states that it received authorization to abandon this mainline segment in Docket No. CP95-228-000 as part of its multiyear System Modernization Plan. It is stated that as part of MRT's rate case filing in Docket No. RP96-199-000 MRT has agreed to file this request to retain the mainline segment in service for a 3-year period to expire no later than April 30, 2001. It is
