SUPPLEMENTARY INFORMATION:

A. Purpose

The Standard Form 129, Solicitation Mailing List Application, is used by all Federal agencies as an application form for prospective contractors to provide information needed to establish and maintain a list of firms interested in selling to the Government. The information is used to establish lists of firms to be solicited when the products or services they provide are needed by the Government.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average .58 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 243,000; responses per respondent, 4; total annual responses, 972,000; preparation hours per response, .58; and total response burden hours, 563,760.

Obtaining copies of proposals: Requester may obtain copies of OMB applications or justifications from the General Services Administration, FAR Secretariat (MVRs), Room 4037, 1800 F Street, NW, Washington, DC 20405, telephone (202) 501-4755. Please cite OMB Control No. 9000-0002, Solicitation Mailing List Application (SF 129), in all correspondence.

Dated: August 20, 1997.

Sharon A. Kiser,

FAR Secretariat.

SUPPLEMENTARY INFORMATION:

A. Purpose

To protect the Government's interest and to ensure timely delivery of items of the requisite quality, contracting officers, prior to award, must make an affirmative determination that the prospective contractor is responsible, *i.e.*, capable of performing the contract. Before making such a determination, the contracting officer must have in his possession or must obtain information sufficient to satisfy himself that the prospective contractor (i) has adequate financial resources, or the ability to obtain such resources, (ii) is able to comply with required delivery schedule, (iii) has a satisfactory record of performance, (iv) has a satisfactory record of integrity, and (v) is otherwise qualified and eligible to receive an award under appropriate laws and regulations. If such information is not in the contracting officer's possession, it is obtained through a preaward survey conducted by the contract administration office responsible for the plant and/or the geographic area in which the plant is located. The necessary data is collected by contract administration personnel from available
