Regulatory Procedures

The Regulatory Flexibility Act (RFA) requires that each federal agency prepare, and make available for public comment, a regulatory flexibility analysis when the agency issues a regulation which would have a significant impact on a substantial number of small entities. This proposed rule is not a significant regulatory action under Executive Order 12866. The changes set forth in this proposed rule are minor revisions to the existing regulation. Since this proposed rule does not impose information collection requirements, it does not need to be reviewed by the Executive Office of Management and Budget under authority of the Paperwork Reduction Act of 1995 (44 U.S.C., Chapter 35).

PART 199—[AMENDED]

Accordingly, 32 CFR Part 199 is amended as follows:

1. The authority citation for Part 199 continues to read as follows:

2. Section 199.6 is amended by revising paragraph (a)(3) to read as follows:

§199.6 Authorized providers.

(a) * * * * *

(3) Dual compensation/conflict of interest. 5 U.S.C. 5536 prohibits medical personnel who are active duty Uniformed Service members or civilian employees of the Government from receiving additional Government compensation above their normal pay and allowances for medical care furnished. In addition, Uniformed Service members and civilian employees of the Government are generally prohibited by law and agency regulations and policies from participating in apparent or actual conflict of interest situations in which a potential for personal gain exists or in which there is an appearance of impropriety or incompatibility with the performance of their official duties or responsibilities. Active duty Uniformed Service members (including a reserve member while on active duty) and civilian employees of the United States Government shall not be authorized to be CHAMPUS providers except as provided in this paragraph (a)(3). An exception to this policy may be made by the Director, OCHAMPUS, on a case-by-case basis only for a physician employed by the Government on a part-time basis (i.e., less than 20 hours per week) when the employing agency requests an exception based on unique or special circumstances detrimental to the delivery of quality health care, and the employing agency and the physician have certified that they understand and have taken appropriate measures to avoid violation of Standards of Conduct, dual compensation, and conflict of interest requirements including protection against referral of patients to the employee’s civilian practice. A provider shall certify on each CHAMPUS claim that he/she is not an active duty Uniformed Service member or civilian employee of the Government. For those physicians who are part-time government employees and have been granted an exception, the provider shall certify on each CHAMPUS claim that an exception has been granted.
