

clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Pub.L. 104-13.

Agency: International Trade Administration (ITA).

Title: Trade Events/Mission Application and Participation Agreement.

Form Number: ITA-4008P, ITA-4008P-1 and ITA-4008P-A.

OMB Number: 0625-0147.

Type of Review: Revision—Regular Submission.

Burden: 2,625 hours.

Number of Respondents: 7,500.

Avg. Hour Per Response: 20-50 minutes.

Needs and Uses: The ITA-4008P "Participation Agreement," is the vehicle by which individual firms agree to participate in any of ITA's trade promotion programs, and record their required participation fee to the U.S. Department of Commerce (DOC). Together with the relevant ITA-4008P "Conditions of Participation," it forms a contract between an individual firm and the DOC. The Trade Mission Application is used to solicit information from firms seeking to participate in DOC overseas trade missions covered by the Statement of Policy Governing Overseas Trade Missions of the Department of Commerce issued by Secretary Daley on March 3, 1997. The Secretary's statement of policy provides that each company seeking to take part in overseas trade missions must certify that:

(a) the export of the products and services that the company wishes to sell would be in compliance with U.S. export controls and regulations;

(b) the company has identified to the Department of Commerce for its evaluation any business pending before the Department of Commerce that may present the appearance of a conflict of interest;

(c) the company has identified any pending litigation (including any administrative proceedings) to which it is a party that involves the Department of Commerce; and

(d) the company agrees that it and its affiliates (1) have not and will not engage in the bribery of foreign officials in connection with the applicant's involvement in this event, and (2) maintain and enforce a policy that prohibits the bribery of foreign officials.

The revisions to Form 4008P involve the collection of additional information about the products or services that a company wishes to export, and modification of several questions based on comments received from DOC trade

event managers and participants. In April 1997, ITA obtained OMB approval for a combined trade mission application and participation agreement form which would be used for all trade events and ITA services. Since that time, ITA has determined that it is more appropriate and effective to have two separate forms—a one-page Participation Agreement and a separate ITA-4008P-1 "Trade Mission Application," form. In addition the Participation Agreement and Trade Mission Application collection of information is being simplified to ask only for information that is absolutely necessary to provide the requested service and collect the participation fee. Trade mission participants will be required to complete the Forms ITA-4008P, ITA-4008P-1 and ITA-4008P-A. Other DOC trade event participants will complete Forms ITA-4008P and ITA-4008P-A.

Affected Public: Companies seeking to apply to participate in overseas Commerce Department trade promotion events and missions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit.

OMB Desk Officer: Victoria Baecher-Wassmer, (202) 395-7340.
