*Description:* Aviation Ground and Marine Coast Radio Station licensees are required to apply for renewal of their radio station authorization every five years. This form will be used for that purpose. The form is being revised to add spaces to collect the applicant's Internet or e-mail address and Taxpayer Identification Number (TIN) to comply with the Debt Collection Improvement Act of 1996. The Wireless Telecommunications Bureau has developed a generic renewal application for electronic filing, FCC Form 900. Once implemented, applicants for renewal of Aviation Ground and Marine Coast licenses will have the option to use FCC Form 452-R or electronically file for renewal using the FCC Form 900. The FCC staff will use the data to determine eligibility for a renewed radio station authorization, and to issue a radio station license. Data is also used by Compliance personnel in conjunction with field engineers for enforcement and interference resolution purposes.

*Description:* The recordkeeping requirement contained in Section 97.523 is necessary to permit question pools used in preparing amateur examinations to be maintained by Volunteer-Examiner Coordinators (VEC's). These question pools must be published and made available to the public before the questions are used in an examination.
