 Wednesday, October 8, 1997, 1:30–4:00 p.m., Room 1207

The purpose of ITAC is to advise the Department on policy, technical and operational matters and to provide strategic planning recommendations, with respect to international telecommunications and information issues. To assist in preparations for certain meetings of the International Telecommunication Union (ITU), the Department establishes ad hoc groups open to any and all government, industry or other interested participants in accordance with the ITAC advisory committee charter. The purpose and agenda of this ITAC Ad Hoc Group is to develop and recommend positions and, as appropriate, written contributions for submission by the United States in connection with the 1998 WTPF, as described below. Questions regarding the agenda or Ad Hoc activities in general may be directed to the chairman, Richard Shrum, State Department, at 202–647–0050; Fx: 202–647–7407, e-mail (uuencode):shrumre@ms6820wpoa.us-state.gov.

The ITU will convene the second Policy Forum in Geneva, March 16–18, 1998, in order to discuss and exchange views on the theme of trade in telecommunications services. The agenda will include: (a) the general implications for the ITU membership of the World Trade Organization (WTO) agreement on trade in basic telecom services, with respect to telecom policies, regulations and regulatory structures, and the implications for developing countries, particularly with respect to financial strategies to promote network and service, development; (b) actions to assist ITU membership in adapting to changes in the telecom environment including analysis of the current situation and possible cooperative actions to facilitate transition; and (c) the evolution of the international telecom environment, particularly the current accounting and settlement system. Discussions at the WTPF shall be based on a report of the Secretary-General, incorporating contributions and comments of the ITU membership, which will serve as the sole working document of the Forum. Preparations for WTPF will include an informal group of experts convened by the Secretary-General to assist in developing the report, and a working group of representatives of the ITU–T and ITU–D Sectors and the ITU

Secretariat to conduct case studies in developing countries.

All participants may join in discussions, subject to instructions of the chair. In this regard, entry to the building is controlled. If you wish to attend, please send a fax to 202–647–7407 at least 24 hours before the scheduled meeting, providing name, affiliation, date of birth and social security number, to arrange for pre-clearance. One of the following valid photo ID's is required for admittance: U.S. driver's license with picture, passport, Government ID (company ID's are not accepted). Enter through the "C" Street Main Lobby.

Dated: August 26, 1997.
