BILLING CODE 4510-30-M

DEPARTMENT OF LABOR

Employment and Training Administration

[NAFTA-01595]

Gorecki (Gor-Mill) Mfg. Co., Inc., Milaca, Minnesota; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on July 30, 1997, applicable to all workers of Gorecki (Gor-Mill) Mfg. Co., Inc., Milaca, Minnesota. The notice will be published soon in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that only the workers engaged in the production of overhead projector "model 2000" were separated from Gorecki (Gor-Mill) Mfg. Co., Inc., Milaca, Minnesota due to a shift in production to Juarez, Mexico.

Accordingly, the Department is amending the certification to cover only those workers who are engaged in the production of overhead projector "model 2000" at the subject firm's Milaca, Minnesota plant.

The intent of the Department's certification is to cover all workers of Gorecki (Gor-Mill) Mfg. Co., Inc., Milaca, Minnesota adversely affected by a shift in production to Mexico.

The amended notice applicable to NAFTA-01595 is hereby issued as follows:

"All workers of Gorecki (Gor-Mill) Mfg. Co., Inc., Milaca, Minnesota engaged in employment related to the production of overhead projector "model 2000" who became totally or partially separated from employment on or after March 24, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."

Signed at Washington, DC, this 19th day of August, 1997.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
