AGENCY: Department of Defense (DoD).

This information collection requirement is currently approved by the Office of Management and Budget (OMB) for use through March 31, 1998, under OMB Control Number 0704-0267. DoD proposes that OMB extend its approval for use through March 31, 2001.

Title, Associated Forms, and Associated OMB Control Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 230, Cost Accounting Standards, and DD Form 1861; OMB Control Number 0704-0267.

Needs and Uses: It is DoD policy to encourage contractor investment in facilities, which may lead, under DoD contracts, to increased productivity and reduced costs through the use of modern manufacturing technology. To motivate aggressive capital investment, DoD rewards contractors by recognizing contract facilities capital cost of money (CFCCM) and facilities capital employed in establishing the price of certain negotiated defense contracts, when such contracts are priced on the basis of cost analysis. DD Form 1861, Contract Facilities Capital Cost of Money, is used to compute these two elements of price. The contracting officer may require information from the contractor to complete this form.

Affected Public: Businesses or other for-profit entities.

Annual Burden Hours: 750.

Number of Respondents: 75.

Responses Per Respondent: 1.

Annual Responses: 75.

Average Burden Per Response: 10 hours.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:**Summary of Information Collection**

The information collection includes requirements relating to DFARS Part 230, Cost Accounting Standards. DD Form 1861, Contract Facilities Capital Cost of Money, computes the CFCCM and facilities capital employed using information provided by Form CASB-CMF and certain other information provided directly by the contractor. The CFCCM amount is used to help establish a price objective in negotiated contracts. The facilities capital employed amount is carried forward to DD Form 1547, Record of Weighted Guidelines Method Application, for the purpose of developing profit objectives on defense contracts when the Weighted Guidelines method is used. DFARS 230.7004-2, DD Form 1861, indicates that (1) completion of the DD Form 1861 requires information not included on the Form CASB-CMF; and (2) the contracting officer could request the information through a solicitation provision.

Executive Editor, Defense Acquisition Regulations Council.
