Title and Form Number: Request for and Consent to Release of Medical Records Protected by Section 7332, VA Form 10-5345(R).

OMB Control Number: 2900-0260.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: Section 7332, Title 38, United States Code, requires the VA to obtain prior written consent from a patient before information concerning treatment for alcoholism or alcohol abuse, drug abuse, sickle cell anemia, or infection with the human immunodeficiency virus (HIV) can be disclosed from a patient medical record. This special consent must indicate the name of the facility permitted to make the disclosure, the name of the individual or organization to whom the information is being released, specify the particular records or information to be released, be under the signature of the veteran and dated. It must reflect the purpose for which the information is to be used, and include a statement that the consent is subject to revocation and the date, event or condition upon which the consent will expire if not revoked before. The Privacy Act of 1974 and VA confidentiality statute, Section 5701, Title 38, United States Code, also requires a written patient consent.

The information is collected from the patient. VA personnel complete 50% of the total number of forms used and the patient must simply sign and date the form. Patients complete the remaining 50% of the total number of forms. The information is usually handwritten. If the VA did not collect this information, medical records protected Title 38, U.S.C., Section 7332, could not be released from a patient's records. This would have a negative impact on patients who need and want information released to private insurance companies, physicians and other third parties.

Estimated Average Burden Per Respondent: 2 minutes.

Title and Form Number: VA Request for Determination of Reasonable Value, VA Form 26-1805.

OMB Control Number: 2900-0045.

Type of Review: Extension of a currently approved collection.

Abstract: VA Form 26-1805 is used to collect data necessary for VA compliance with the requirements of Title 38 U.S.C. 3710 (b) (4), (5), and (6). These requirements prohibit the VA guaranty or making of any loan unless the suitability of the security property for dwelling purposes is determined, the loan amount does not exceed the reasonable value, and if the loan is for purposes of alteration, repair, or improvements, the work substantially improves the basic livability of the property. The data supplied by persons and firms completing VA Form 26-1805 is used by VA personnel to identify and locate properties for appraisal and to make assignments to appraisers. The VA

is required to notify potential veteran-purchasers of such properties of the VA-established reasonable value. The VA will also use VA Form 26-1843, Certificate of Reasonable Value, as a notice to requesters of the reasonable (appraised) value or an authorized lender will issue a notice of value in connection with the Lender Appraisal Processing Program.
