SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 29, File No. 270-169, OMB Control No. 3235-0149; Rule 83, File No. 270-82, OMB Control No. 3235-0181.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*), the Securities and Exchange Commission ("Commission") requests comments on the collections of information summarized below. The Commission plans to submit these collections of information to the Office of Management and Budget for extension and approval.

Rule 29 [17 CFR 250.29] states that "[a] copy of each annual report submitted by any registered holding company or any subsidiary thereof to a State Commission covering operations not reported to the Federal Energy Regulatory Commission shall be filed with the Securities and Exchange Commission no later than ten days after such submission." The Commission receives about 62 annual reports per year under this regulation, which imposes an annual burden of about 15.5 hours.

Rule 83 [17 CFR 250.83] authorizes an exemption from the "at cost" requirements of Section 13(b) for "the performance of any service, sales, or

construction contract for any associate company which does not derive, directly or indirectly, any material part of its income from sources within the United States and which is not a public utility company operating within the United States * * *." The Commission receives about one application per year under Rule 83, which imposes an annual burden of about three hours.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

It should be noted that "an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number."

Written comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 30 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Securities and Exchange Commission, 450 5th Street, N.W. Washington, DC 20549.

Dated: September 5, 1997.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-39032; File Nos. SR-Amex-96-19; SR-CBOE-96-79; SR-PCX-97-09]

Self-Regulatory Organizations; Order Granting Approval to Proposed Rule Change and Notice of Filing and Order Granting Accelerated Approval to Amendment No. 1 to Proposed Rule Change by the American Stock Exchange, Inc. and the Chicago Board Options Exchange, Inc., and Order Granting Approval to Proposed Rule Change by the Pacific Exchange, Inc., Relating to the Elimination of Position and Exercise Limits for FLEX Equity Options

September 9, 1997.

I. Introduction

On May 21, 1996, December 27, 1996, and April 1, 1997, respectively, the American Stock Exchange, Inc. ("Amex"), the Chicago Board Options Exchange, Inc. ("CBOE"), and the Pacific Exchange, Inc. ("PCX") (collectively the "Exchanges"), submitted to the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² proposed rule changes to eliminate position and exercise limits³ for FLEX Equity options under a two-year pilot program.⁴

Notice of the proposed rule changes appeared in the **Federal Register** on June 12, 1996, January 17, 1997, and May 20, 1997, respectively.⁵ No comments were received on the proposed rule changes. The Amex subsequently filed Amendment No. 1 to its proposed rule change on February 3,

¹ 15 U.S.C. 78s(b)(1) (1988).

² 17 CFR 240.19b-4.

³ Position limits impose a ceiling on the aggregate number of option contracts on the same-side of the market that an investor, or group of investors acting in concert, may hold or write. Exercise limits impose a ceiling on the aggregate long positions in option contracts that an investor, or group of investors acting in concert, can or will have exercised within five consecutive business days.

⁴ In general, FLEX Equity options provide investors with the ability to customize basic option features including size, expiration date, exercise style, and certain exercise prices. (See Securities Exchange Act Release No. 37726 (September 25, 1996), 61 FR 51474 (October 2, 1996), regarding restrictions on the available exercise prices for FLEX Equity call options (File Nos. SR-Amex-96-29, SR-CBOE-96-56, and SR-PSE-96-31)).
