DEPARTMENT OF DEFENSE**Department of the Army****Final Programmatic Environmental Assessment (FPEA) and Finding of No Significant Impact (FNSI) for the Joint Vaccine Acquisition Program (JVAP)**

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability.

SUMMARY: The Department of the Army announces the availability for public review and comment of an FPEA and FNSI for the JVAP. The primary objective of the JVAP is to develop, produce, store, test, and field sufficient quantities of U.S. Food and Drug Administration (FDA) licensed vaccines to implement U.S. government policy for protecting its armed forces against biological warfare agents. Because of the current threat of biological warfare and its continuing proliferation, there is an urgent need to protect our fighting men and women who go in harm's way. The JVAP is implemented by the Department of Defense through the Joint Program Office for Biological Defense for which the Army is the lead agency. The JVAP FPEA characterizes and assesses the possible and probable environmental consequences associated with the JVAP as proposed and the alternatives considered. The FPEA concludes that the proposed JVAP activities and the alternatives analyzed are not likely to have significant adverse effects upon the quality of the environment.

Alternatives:

a. Implement and operate the JVAP through which the Army proposes to develop, produce, store, test, and field vaccines for biological defense which are otherwise unavailable (Preferred Alternative).

b. No action (cessation of all JVAP activities now and in the future).

c. Conduct current and currently planned JVAP activities in a consolidated government facility.

d. Conduct current and currently planned JVAP activities at a consolidated contractor facility.

Comments: The JVAP FPEA/FNSI is available for public review and comment. Mr. Bruce G. Kay is the Department of the Army clearinghouse for requests for the JVAP FPEA and documentation from previous environmental analyses referenced in the FPEA. The JVAP FPEA documentation with supporting reports is available through the internet at <http://www.armymedicine.army.mil/jvap-fpea>. Written comments regarding the FPEA/FNSI should be submitted to the address provided below.

DATES: Comments must be submitted on or before October 17, 1997.

ADDRESSES: Mail comments or document copy requests to: Joint Vaccine Acquisition Project Management Office, ATTN: Mr. Bruce Kay, 568 Doughten Drive, Suite 100, Fort Detrick, Maryland 21702-5040; phone at (301) 619-2016; or fax at (301) 619-7230; e-mail: bruce_g_kay@ftdetrick-cmail.army.mil.

Dated: September 11, 1997.

James P. Huber,

Acting Deputy Assistant Secretary of the Army (Environment, Safety and Occupational Health) OASA (I, L&E).
