

(4) medical decision analysis related to the Bunker Hill site. Scientists with expertise specific to the health outcomes under consideration will convene to define appropriate screening tests to be included in the medical monitoring program based on the proposed outcomes and eligible populations. Also, the workshop will provide ATSDR guidance in the development of clinical evaluation protocols that could be included in a medical monitoring program.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Vivian Rush, M.D., Medical Officer, ATSDR, Division of Health Education and Promotion, 1600 Clifton Road, NE, M/S E-33, Atlanta, Georgia 30333, telephone 404/639-5080 or Gregory Thomas, Senior Regional Representative, ATSDR Region X, Seattle, WA 98101, telephone 206/553-2113.

Dated: September 11, 1997.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

Meetings

The National Center for Environmental Health (NCEH) of the Centers for Disease Control and Prevention (CDC) announces the following Fetal Alcohol Syndrome (FAS) Prevention meetings:

Name: 1997 Fetal Alcohol Syndrome (FAS) Surveillance and Prevention Grantees' Meeting.

Time And Date: 8 a.m.-5:30 p.m., September 25, 1997.

Place: Beaver Run Resort and Conference Center, 620 Village Road, Breckenridge, Colorado 80424, 970/453-6000.

Status: Open to CDC grantees conducting FAS epidemiologic surveillance and prevention projects among various States and universities. Persons in the general public wishing to participate may telephone 770/488-7268, e-mail (GCL1@cdc.gov) or fax (770/488-7361) their request.

Purpose: The annual meeting of CDC's FAS grantees is held in order to exchange information regarding the funded projects' activities and progress.

Matters To Be Discussed: Agenda items include a CDC update related to FAS epidemiologic surveillance and prevention activities, and summary reports from each of the grantees. Agenda items are subject to change as priorities dictate.

Contact Person For More Information: Gregg Leeman, Fetal Alcohol Syndrome Prevention Section, NCEH, CDC, 4770 Buford Highway, NE, MS:F15, Atlanta, Georgia 30341, telephone 770/488-7268, e-mail GCL1@cdc.gov, fax 770/488-7361.

Name: Prevention and Management: Fetal Alcohol Syndrome and Prenatal Substance Abuse, sponsored by the Colorado Fetal Alcohol and Substance Abuse Coalition and CDC's Division of Birth Defects and Developmental Disabilities.

Times And Dates: 3 p.m.-7 p.m., September 25, 1997; 7:30 a.m.-5 p.m., September 26, 1997; 7:30 a.m.-4:30 p.m., September 27, 1997.

Place: Beaver Run Resort and Conference Center, 620 Village Road, Breckenridge, Colorado 80424, 970/453-6000.

Status: Open. Persons wishing to participate in the conference may register by contacting Elizabeth Franz, telephone 303/756-8380; e-mail fasconf@aol.com; or fax 303/759-8861. The conference registration fee is \$175.00.

Purpose: Conference objectives are to present: Effective models for identification of and intervention with high-risk women; current research on screening and diagnostic methods and interventions for the child prenatally exposed to alcohol; current public health and epidemiological data; current research about the effects of alcohol and other drugs on fetal development; to discuss policy, legal and criminal justice issues related to FAS; and to explore community-based prevention programs.

Matters To Be Discussed: The conference is built around six areas of emphasis: Intervention with high-risk women; Working with the FAS affected child; Public health and epidemiology; Clinical and research issues; Policy and legal issues; Community issues and prevention programs.

Contact Person For More Information: Elizabeth Franz, Colorado Fetal Alcohol and Substance Abuse Coalition Conference Office, telephone 303/756-8380, fax 303/759-8861, e-mail fasconf@aol.com.

Dated: September 11, 1997.

Advisory Council for the Elimination of Tuberculosis: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following meeting.

Name: Advisory Council for the Elimination of Tuberculosis (ACET).

Times and Dates: 8:30 a.m.-5 p.m., October 16, 1997; 8:30 a.m.-12 p.m., October 17, 1997.

Place: Corporate Square Office Park, Corporate Square Boulevard, Building 11, Room 1413, Atlanta, Georgia 30329.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 100 people.

Purpose: The Council advises and makes recommendations to the Secretary of Health and Human Services, the Assistant Secretary for Health, and the Director, CDC, regarding the elimination of tuberculosis. Specifically, the Council makes recommendations regarding policies, strategies, objectives, and priorities; addresses the development and application of new technologies; and reviews the extent to which progress has been made toward eliminating tuberculosis.

Matters to be Discussed: Agenda items include follow-up discussion on issues related to isoniazid prevention therapy; discussions on a scientific basis of TB vaccine; TB vaccine development and implementation; economic issues relating to TB vaccines; and developing long term goals and/or issues of ACET. Agenda items are subject to change as priorities dictate.

Contact Person For More Information: Janet Cleveland, National Center for HIV, STD, and TB Prevention, 1600 Clifton Road, NE, M/S E-07, Atlanta, Georgia 30333, telephone 404/639-8008.

Dated: September 11, 1997.
