

Revised Volume No. 1, to become effective on November 1, 1997.

East Tennessee states that on August 15, 1997, Johns Manville and East Tennessee entered into the Manville Agreement for service to commence on November 1, 1997. Under the Agreement, East Tennessee will provide firm transportation service for Johns Manville under East Tennessee's Rate Schedule FT-A. The Manville Agreement contains provisions which deviate from the Form of Firm Transportation Agreement contained in East Tennessee's Volume No. 1 Tariff (Pro Forma FT-A Agreement) in the following areas: (1) Description of the rate; (2) Transportation Quantity reduction rights; (3) requisite Commission approvals; and (4) affiliate assignment.

East Tennessee states that because the Manville Agreement contains provisions which may deviate in a material aspect from the Pro Forma FT-A Agreement, pursuant to Section 154.1(d) of the Commission's regulations, East Tennessee is filing the Agreement with the Commission and requesting that the Commission accept and permit it to become effective November 1, 1997. East Tennessee also states that, pursuant to Section 154.112(b) of the Commission's regulations, the tendered tariff sheets have been amended to include a reference to the Johns Manville Agreement.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with Section 385.214 and Section 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
