Questar Pipeline Company; Notice of Tariff Filing

September 19, 1997.

Take notice that on September 16, 1997, Questar Pipeline Company (Questar), tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, Second Substitute Fourth Revised Sheet No. 92, Second Revised Sheet No. 92A, Substitute Second Revised Sheet No. 93 and Second Substitute Second Revised Sheet No. 94, to be effective June 1, 1997.

Questar states that the proposed tariff sheets incorporate into its tariff previously approved tariff language regarding crediting of interruptible revenues, which was inadvertently omitted from Section 18, Billing and Payment, when revised according to Order Nos. 587, 587-A and 587-B in Docket No. RP97-129.

Questar states further that it respectfully requests Commission waiver of Section 154.207 of its regulations so that the proposed tariff sheets may become effective June 1, 1997. Questar explains that Section 18.3, regarding crediting of interruptible revenues, has been in effect since February 1, 1996, and that continued effectiveness of this tariff provision is vital for proper administration of the billing provisions implemented by its tariff. Questar explains further that approval of the proposed date, which date is consistent with the effective date of Questar's tariff filings implementing Order 587, will allow Section 18.3 to continue to be effective without interruption.

Questar states that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Wyoming Public Service Commission.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section
