

accounting methodology was reasonable. Finally, the Department revised the treatment of VATs to comport with its then-existing methodology used in Certain Stainless Steel Wire rod from France, 58 FR 6885 (Dec. 29, 1993) by adjusting USP for tax by multiplying the home market tax rate by the USP at the point in the chain of commerce of the U.S. merchandise that is analogous to the point in the home market chain of commerce at which the foreign government applies the home market consumption tax.

With exception of the department's methodology for VAT adjustments, the CIT upheld all aspects of the Department's remand redetermination. See *E.I. Dupont de Nemours & Co., Inc., ICI Americas, Inc., v. United States*, 932 F. Supp. 296 (CIT 1996). The CIT concluded that the Department's VAT adjustments were not consistent with the Federal circuit court's ruling in *Federal Mogul Corp. v. United States*, 66 F.3d 1572 (Fed. Cir. 1995) and remanded this issue to the Department for recalculation of the VAT adjustments.

On May 17, 1996, the Department filed the results of the second remand redetermination. In accordance with the VAT methodology adopted after the *Federal Mogul* decision, the Department added the tax amount paid in the home market to USP for the same merchandise.

On February 5, 1997, the CIT upheld the second remand results. *E.I. DuPont de Nemours & Co., Inc. v. United States*, 954 F. Supp. 263 (CIT 1997). The period to appeal has expired and no appeal was filed. Therefore, as there is now a final and conclusive court decision in this action, we are amending our final determination.

Amendment to Final Determination

Pursuant to section 516A(e) of the Act, we are now amending the final determination in polyethylene terephthalate film, sheet and strip from the Republic of Korea. The recalculated weighted-average dumping margins are as follows:

Manufacturer/producer/exporter	Margin (percent)
SKC	13.92
Cheil	36.33
All others	21.50

We will instruct U.S. Customs to change the existing "all others" cash deposit requirements accordingly. We note that this order has been revoked with respect to Cheil (61 FR 35177) and SKC's current cash deposit rate is based upon an administrative review.

conducted subsequent to this segment of the proceeding. Therefore, this amended redetermination does not affect the cash deposit rates for either SKC or Cheil.
