

- (6) Boat Occupant Protection Subcommittee report.
- (7) Navigation Light Subcommittee report.
- (8) Personal Flotation Device—Life Saving Index Subcommittee report.
- (10) Recreational Boating Safety Program report.
- (11) Canadian Coast Guard report.
- (12) National Association of State Boating Law Administrators report.
- (13) Coastal Zone Mission Analysis discussion.
- (14) Fire extinguisher labeling discussion.
- (15) Update on mandatory personal flotation device wearing requirements and mandatory boating safety education requests for comments.
- (16) Update on Global Maritime Distress and Safety System and National Distress System Modernization Project Issues.
- (17) Report on personal flotation device conspicuity research.

Manufacturer Requirements Regulations Review Subcommittee

The agenda includes the following:

- (1) Review recreational boating safety regulations concerning capacity; flotation; certification; hull identification number, and defect notification.
- (2) Present recommendation to the Council as to whether the current recreational boating safety regulations need to be changed or removed based on a review of need, technical accuracy, cost/benefit, problems and alternatives.

Boat and Equipment Standards Regulations Review Subcommittee

The agenda includes the following:

- (1) Review recreational boating safety regulations concerning fuel and electrical systems, ventilation; start-in-gear protection; and backfire flame control.
- (2) Present recommendations to the Council as to whether the current recreational boating safety regulations need to be changed or removed based on a review of need, technical accuracy, cost/benefit, problems and alternatives.

Operator Requirements Regulations Review Subcommittee

The agenda includes the following:

- (1) Review recreational boating safety regulations concerning intoxicated operation; regattas and marine parades; personal flotation devices; visual distress signals; correction of especially hazardous conditions; numbering; accident reporting; and fire extinguishers.
- (2) Present recommendations to the Council as to whether the current

recreational boating safety regulations need to be changed or removed based on a review of need, technical accuracy, cost/benefit, problems and alternatives.

Boat Occupant Protection Subcommittee

The agenda includes the following:

- (1) Review and discuss boat occupant protection study issues.
- (2) Discuss risk avoidance alternatives.
- (3) Discuss planned study research efforts.

Navigation Light Subcommittee

The agenda includes the following:

- (1) Review and discuss issues concerning regulatory controls for navigation lights for recreational vessels.
- (2) Discuss and make recommendations regarding the conduct of a study to improve the visibility and display of navigation lights focusing on hardware issues.

Personal Flotation Device—Life Saving Index Subcommittee

The agenda includes the following:

- (1) Assist in the development of a consensus standard for application of the life saving index to various types of personal flotation devices.
- (2) Review personal flotation device (PFD) conspicuity issues and recommend a course of action.
- (3) Review the status of inflatable PFD inflation systems.

Procedural

All meetings are open to the public. At the Chair's discretion, members of the public may make oral presentations during the meetings. If you would like to make an oral presentation at a meeting, please notify the Executive Director no later than October 20, 1997. If you would like a copy of your material distributed to each member of the committee or subcommittees in advance of a meeting, please submit 25 copies to the Executive Director no later than October 14, 1997.

Information on Services for Individuals With Disabilities

For information on facilities or services for individuals with disabilities or to request special assistance at the meetings, contact the Executive Director as soon as possible.

Dated: September 22, 1997.

Ernest R. Riutta,

Rear Admiral, U.S. Coast Guard Assistant Commandant for Operations.

Federal Aviation Administration

Advisory Circular 25.812-2. Floor Proximity Emergency Escape Path Marking Systems Incorporating Photoluminescent Elements

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of issuance of advisory circular.

SUMMARY: This notice announces the issuance of Advisory Circular (AC) 25.812-2, Floor Proximity Emergency Escape Path Marking Systems Incorporating Photoluminescent Elements. This AC provides guidance material for use in demonstrating compliance with the provisions of part 25 of the Federal Aviation Regulations (FAR) regarding floor proximity emergency escape path marking systems (FPEEPS) which incorporate photoluminescent elements. Like all ACs, it is not regulatory but is to provide guidance for applicants in demonstrating compliance with the objective safety standards set forth in the rule.

DATES: Advisory Circular 25.812-2 was issued by the Manager, Transport Airplane Directorate, Aircraft Certification Service, ANM-100, on July 24, 1997.

HOW TO OBTAIN COPIES: A copy may be obtained by writing to the U.S. Department of Transportation, Subsequent Distribution Office, DOT Warehouse, SVC-121.23, 3341Q 75th Ave., Landover, MD 20785, telephone 301-322-5377, or faxing your request to the warehouse at 301-386-5394.

Issued in Renton, Washington, on September 15, 1997.

James V. Devany,

Acting Manager, Transport Airplane Directorate, Aircraft Certification Service, ANM-100.
