National Directory of New Hires; Submission for OMB Review; Comment Request

OMB No.: New.

Description: Public Law 104-193, the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," requires the Office of Child Support Enforcement (OCSE) to develop a National Directory of New Hires (NDNH) to improve the ability of State child support agencies to locate noncustodial parents and collect child support across State lines.

The NDNH will contain employment, earning and unemployment compensation data on all employees within the United States. The law requires States and territories to periodically transmit new hire data received from employers to the NDNH, and to transmit quarterly wage and unemployment compensation claims data to the NDNH on a quarterly basis.

Employers must report specified information (based on information reported on the IRS W-4 Form) on all new hires to State agencies for transmittal to the NDNH. States will transmit all data to the NDNH electronically. The purpose of the NDNH is to develop a repository of information on newly-hired employees, and on the earnings and unemployment compensation claims data on all employees, to provide the necessary information to locate child support obligors, and to establish and enforce child support orders.

Respondents: States and Employers.
