Notice of Realty Action; California

Notice of Realty Action for Minor Boundary Revision and Proposed Exchange of Federally-owned land for Privately-owned land in Marin County, California.

In order to resolve the minor and unintentional encroachment of a private residence on Federal land, it is necessary for the National Park Service to effect a minor boundary revision and land exchange at Point Reyes National Seashore. The park boundary will be revised to include a 0.12 acre parcel of land adjacent to the boundary and delete a 0.10 acre parcel of land within the boundary. Upon approval of the boundary revision, the National Park Service will acquire the 0.12 acre parcel and convey the 0.10 acre encroachment parcel to the private landowner. The subject properties are located on Blackberry Lane, Inverness, Marin County, California.

The authority for the minor boundary revision is Section 318 (a) of Public Law 95-625, approved November 10, 1978; 16 U.S.C. 459c-1(a). The authority for the land exchange is Section 3 (a) of Public Law 87-657, approved September 13, 1962, 16 USC 459c-2.

The National Park Service has determined that there will be no adverse impacts as a consequence of the exchange. The value of the lands to be exchanged are of equal value. Each site was surveyed for the presence of hazardous substances and none were found. The mineral rights of both properties will be conveyed.

The land to be conveyed by the United States of America and deleted from the boundary is identified as Tract No. P13-130. Title to the land will be conveyed subject to title encumbrances of record as well as existing easements
