I. Background

The final rule published today is a stage of a rulemaking process that will conclude in the removal of the regulations in 43 CFR parts 2110 and 2130. This rule finalizes a proposed rule that was published on September 11, 1996, in the Federal Register at 61 FR 47853. The rule provided for a comment period of 30 days, and BLM received no comments from the public.

This final rule is part of BLM’s efforts to streamline its regulations in the Code of Federal Regulations (CFR). BLM is removing unnecessary or obsolete regulations, and making the remainder of its regulations more understandable and relevant. The regulations this rule removes are repetitive of statutory language, obsolete, or merely informational. These regulations belong not in the CFR, but in other publications such as manuals or brochures.

II. Final Rule as Adopted

The final rule will remove the regulations in 43 CFR parts 2110 and 2130, with the exception of section 2111.4—Status of Lands, which will be relocated in subpart 2091.

Subpart 2110—Gifts; General
