

Section__44—Public Notice by Institutions

Q1. Are there any placement or size requirements for an institution's public notice?

A1. The notice must be placed in the institution's public lobby, but the size and placement may vary. The notice should be placed in a location and be of a sufficient size that customers can easily see and read it.

Section__45—Publication of Planned Examination Schedule

Q1. Where will the agencies publish the planned examination schedule for the upcoming calendar quarter?

A1. The agencies may use the **Federal Register**, a press release, the Internet, or other existing agency publications for disseminating the list of the institutions scheduled to for CRA examinations during the upcoming calendar quarter. Interested parties should contact the appropriate Federal financial supervisory agency for information on how the agency is publishing the planned examination schedule.

Q2. Is inclusion on the list of institutions that are scheduled to undergo CRA examinations in the next calendar quarter determinative of whether an institution will be examined in that quarter?

A2. No. The agencies attempt to determine as accurately as possible which institutions will be examined during the upcoming calendar quarter. However, whether an institution's name appears on the published list does not conclusively determine whether the institution will be examined during that quarter. The agencies may need to defer a planned examination or conduct an unforeseen examination because of scheduling difficulties or other circumstances.

Appendix B to Part__CRA Notice

Q1. What agency information should be added to the CRA notice form?

OCC-, FDIC-, and Board-supervised institutions: "Officer in Charge of Supervision" is the title of the responsible official at the appropriate Federal Reserve Bank.
