DEPARTMENT OF COMMERCE

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Economic Analysis.

Title: Benchmark Survey of Foreign Direct Investment in the United States—1997.

Form: BE-12(LF), BE-12(SF), BE-12 Bank, BE-12(X).

Agency Approval Number: 0608-0042.

Type of Request: Reinstatement, with change, of a previously approved collection for which approval has expired.

Burden: 245,000 hours.

Number of respondents: 11,000.

Avg Hours Per Response: 22 hours.

Purpose and Uses: The purpose of the benchmark survey is to obtain enterprise-level data on the amount, types, and financial and operating characteristics of foreign direct investment in the United States. The data from the survey will be used to measure the economic significance of such investment and to analyze its

effects on the U.S. economy. They will also be used in formulating, and assessing the impact of, U.S. policy on foreign direct investment.

The data from the survey will provide benchmarks for deriving current universe estimates of direct investment from sample data collected in other BEA surveys in nonbenchmark years. In particular, they will serve as benchmarks for the quarterly direct investment estimates included in the U.S. international transactions and national income and product accounts, and for annual estimates of the foreign direct investment position in the United States and of the operations of the U.S. affiliates of foreign companies. Data from the benchmark survey are used by BEA to compute U.S. affiliates' gross product or value added, which is used to measure U.S. affiliates' share of U.S. gross domestic product and to evaluate affiliates' profitability and productivity. Data on employment by affiliates are used to link enterprise-level data on foreign-owned companies collected in the benchmark survey to establishment-level data for the same companies collected by the Census Bureau.

The benchmark survey data also serve as general purpose statistics and, as such, are used to answer a wide variety of research and policy questions. International organizations—including the United Nations, International Monetary Fund, and Organization for Economic Cooperation and Development—use the data to help assess the impact of direct investment on the U.S. and foreign economies. Numerous private researchers—including researchers affiliated with the National Bureau of Economic Research—also use the data.

Affected Public: Businesses or other for-profit institutions.

Frequency: Quinquennial.

Respondent's Obligation: Mandatory.

Legal Authority: Title 22 U.S.C., Sections 3101-3108, as amended.

OMB Desk Officer: Paul Bugg, (202) 395-3093.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, Room 5327, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of this notice to Paul Bugg, OMB Desk Officer, Room 10201, New Executive Office Building, Washington, DC 20503.
