

compliance with the March 13, 1997¹ and May 21, 1997² orders of the Commission in the captioned docket tendered for filing a request for an extension of the six month waiver previously granted by the Commission with respect to compliance with the data elements and formatting as adopted by the Commission in Order No. 587.

Texas Eastern states that under the waiver, it was required to submit its requests for changes for the data elements to the Gas Industry Standards Board (GISB). Texas Eastern states that it has implemented the changes already approved by GISB, but requests an extension of the waiver until the Commission adopts the next version of the GISB standards. With respect to those requests still pending at GISB, Texas Eastern requests an additional six month extension of time.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Regulations. All such protests should comply with principles set forth in the Commission's May 21, 1997 Order and must be filed by October 14, 1997. Protests will be considered by the Commission in determining appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection.

Williams Natural Gas Company; Notice of Application To Abandon Facilities

October 2, 1997.

Take notice that on September 23, 1997, Williams Natural Gas Company (WNG) filed an application pursuant to Section 7(b) of the Natural Gas Act, requesting permission and approval to abandon by reclaim a 1,000 horsepower rental compressor unit and appurtenant facilities, all as more fully set forth in this request which is on file with the Commission and open to public inspection.

Specifically, WNG seeks authority to abandon by reclaim the 1,000 horsepower skid-mounted Waukesha rental compressor unit and appurtenances originally installed in the Elk City storage field in Montgomery County, Kansas, to recapture migrating storage gas produced by gas wells outside the storage field. WNG estimates the cost to reclaim the facilities to be \$45,575.

Any person desiring to be heard or to make any protest with reference to said request should on or before October 23, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties

to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that the request should be granted. If a motion for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for WNG to appear or be represented at the hearing.

Williams Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

October 2, 1997.

Take notice that on September 29, 1997, Williams Natural Gas Company (WNG) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, First Revised Sheet No. 256. The proposed effective date of this tariff sheet is October 29, 1997.

WNG states that it made a filing on July 23, 1997 to request a waiver of the reporting requirements in Article 14.2 (g) of its tariff. By order issued September 16, 1997, the Commission granted the waiver, but directed WNG to file a revised tariff sheet within 15 days of the issuance of the order to eliminate the inconsistency in the filing dates caused by its existing tariff. The instant filing is being made in compliance with the order.

WNG states that a copy of its filing was served on all participants listed on the service lists maintained by the Commission in the dockets referenced above and on all of WNG's jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. Williston Basin Interstate Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

October 2, 1997.

Take notice that on September 30, 1997, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the revised tariff sheets listed on the filing, to become effective September 11, 1997.

Williston Basin states that on September 11, 1997, the Commission issued its "Order Granting Restatement of Maximum Capacity," in Docket No. CP97-639-000 which granted permission for an approval of the restatement of the maximum daily delivery and receipt point capacities as more fully described in Williston Basin's application filed on July 15, 1997 and as supplemented on August 7, 1997. Williston Basin therefore states it is including all of the proposed revisions to its Master Receipt/Delivery Point List as approved by the Commission's September 11, 1997 Order in the above noted tariff sheets.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations.
