Florida Gas Transmission Company; Notice of Compliance Filing

October 6, 1997.

Take notice that on October 1, 1997, Florida Gas Transmission Company (FGT) tendered for filing as part of its FERC GAS Tariff, Third Revised Volume No. 1, the following tariff sheets:

Fifth Revised Sheet No. 102B
Fifth Revised Sheet No. 116
Fifth Revised Sheet No. 117
Fifth Revised Sheet No. 117A
Third Revised Sheet No. 123
Fifth Revised Sheet No. 133A
Third Revised Sheet No. 160
Original Sheet No. 160A

FGT states that on April 29, 1997, in Docket No. RP97-21-004, it submitted pro forma changes to the General Terms and Conditions of its Tariff (April 29 Filing) in compliance with the requirements of Order No. 587-C issued March 4, 1997 in Docket No. RM96-1-004. The April 29, filing included pro forma tariff changes to implement Gas Industry Standards Board standards to become effective August 1, 1997, relating to FGT's Internet web page, as well as tariff changes relating to revised and new business standards to become effective November 1, 1997. The April 29, filing also included an alternate version of Sheet No. 102B which did not incorporate specific data dictionaries into FGT's Tariff. The pro forma tariff changes, with the exception of the changes reflected on the alternate tariff sheet, were approved by Letter Order dated June 16, 1997 (June 16 Order).

FGT states that the instant filing is submitted in compliance with the June 16, order to implement the approved

tariff changes to become effective November 1, 1997. In addition, FGT proposes to incorporate by reference the data dictionaries published in the July 31, 1997, Version 1.2 implementation guides, insofar as such data dictionaries are necessary to implement the new business standards accepted by the Commission in Order No. 587-C. Because the Version 1.1 implementation guides do not include the data dictionaries necessary to implement the standards, FGT is proposing to reference the data dictionaries set forth in Version 1.2 implementation guides. These guides contain the only published source of the data dictionaries necessary to implement the standards adopted in Order No. 587-C, such as package ID, FGT is not asking for authority to pre-empt any other standards which may be included in the Version 1.2 implementation guides, but which the Commission has not yet adopted.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
