

1.2 implementation guides, insofar as such data dictionaries are necessary to implement the new business standards accepted by the Commission in Order No. 587-C. Because the Version 1.1 implementation guides do not include the data dictionaries necessary to implement the standards, Black Marlin is proposing to reference the data dictionaries set forth in the Version 1.2 implementation guides. These guides contain the only published source of the data dictionaries necessary to implement the standards adopted in Order No. 587-C, such as package ID. Black Marlin is not asking for authority to pre-implement any other standards which may be included in the Version 1.2 implementation guides, but which the Commission has not yet adopted.
