Federal Highway Administration

Environmental Impact Statement: Bibb County, GA

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an environmental impact statement will be prepared for a proposed highway project in the City of Macon and Bibb County, Georgia.

FOR FURTHER INFORMATION CONTACT:

Clyde B. Johnson, Project Development Manager, Federal Highway Administration, 61 Forsyth Street, SW., Suite 17T100, Atlanta, Georgia 30303, Telephone: (404) 562-3657 or David E. Studstill, State Environment/Location Engineer, Georgia Department of Transportation, Office of Environment/Location, 3993 Aviation Circle, Atlanta, Georgia 30336, Telephone: (404) 699-4401.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Georgia Department of Transportation (GDOT), will prepare an environmental impact statement (EIS) on a proposal to complete the Eisenhower Parkway which is a section of the Fall Line Freeway through the City of Macon and Bibb County, Georgia near the Ocmulgee National Monument. The proposed multiple-lane roadway with a median is intended to provide a connection between the Eisenhower Parkway at Interstate 75 and Emery Highway/U.S. 80.

Improvements to the corridor are considered necessary to provide for the existing and projected traffic demand, complete the multi-laned economic developmental highway, and provide additional connections between east and west Macon. Alternatives under consideration include: (1) Taking no action; (2) widening the existing roadway facilities to accommodate increase traffic volumes; and (3) constructing a four-lane, limited access highway on new location. Incorporated into and studied with the various build

alternatives will be design variations of grade and alignment.

Letters describing the proposed action and soliciting comments will be sent to appropriate Federal, State, and local agencies, and to private organizations and citizens who have previously expressed or are known to have interest with this proposal. A series of public meetings will be held in Macon-Bibb County and in Oklahoma, the home of the Muscogee Creek Nation, in November 1997. In addition, a public hearing will be held. Public notice will be given of the time and place of these meetings and hearing. The draft EIS will be made available for public and agency review and comment prior to the public hearing. No formal scoping meeting has been scheduled at this time.

To ensure that the full range of issues related to this proposed project are addressed and all significant issues identified, comments and suggestions are invited from all interested parties. Comments or questions regarding this proposed action and the EIS should be directed to FHWA at the address provided above.
