SUPPLEMENTARY INFORMATION: This generic letter only requests information from addressees under the provisions of Section 182a of the Atomic Energy Act of 1954, as amended, and 10 CFR 50.54(f). New NPSH analyses are neither requested nor required to be performed to respond to this information request. OFFICE OF PERSONNEL MANAGEMENT

Proposed Collection; Comment Request for Reclearance of an Information Collection: Standard Forms 2803 and 3108

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management intends to submit to the Office of Management and Budget a request for reclearance of an information collection. Form 2803, Application to Make Deposit or Redeposit (CSRS), and SF 3108, Application to Make Service Credit Payment for Civilian Service (FERS), are applications to make payment used by persons who are eligible to pay for Federal service which was not subject to retirement deductions and/or for Federal service which was subject to retirement deductions which were subsequently refunded to the applicant.

There are approximately 520 respondents for SF 2803 and 260 respondents for SF 3108. It takes approximately 30 minutes to complete SF 2803 and 30 minutes to complete SF 3108. The hourly annual burden for SF 2803 is 260 and for SF 3108 is 130 for a total annual burden of 390 hours.

Comments are particularly invited on:

- Whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility;
- Whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodology; and
- Ways in which we can minimize the burden of the collection of information on those who are to respond, through use of the appropriate technological collection techniques or other forms of information technology.
