SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Collection Requests

This notice lists information collection packages that will require submission to the Office of Management and Budget (OMB), in compliance with Public Law 104-13 effective October 1, 1995, The Paperwork Reduction Act of 1995.

1. Application for Retirement Insurance Benefits—0960-0007. The Social Security Administration uses the information on Form SSA-1 to determine an individual's entitlement to retirement insurance benefits. The respondents are applicants for retirement benefits.

Number of Respondents: 1,600,000.
Frequency of Response: 1.
Average Burden Per Response: 10.5 minutes.

Estimated Annual Burden: 280,000 hours.

2. Physician's/Medical Officer's Statement, Patient's Capability to Manage Benefits—0960-0024. The Social Security Administration uses the information on Form SSA-787 to determine whether an individual is capable of handling his/her benefits. The information is also used for leads in selecting a representative payee. The respondents are physicians of the beneficiaries or medical officers of institutions where beneficiaries reside.

Number of Respondents: 120,000.
Frequency of Response: 1.
Average Burden Per Response: 10 minutes.

Estimated Annual Burden: 20,000 hours.

3. Claimant's Statement When Request for Hearing Is Filed and The Issue Is Disability—0960-0316. The Social Security Administration requires that applicants for disability benefits provide the updated medical information requested on Form HA-

4486, to facilitate processing their Old Age, Survivors and Disability Insurance (OASDI) and Supplemental Security Income (SSI) claims. This information also enables the Administrative Law Judge hearing the case to fully inquire into the claimant's medical condition. The respondents are applicants for OASDI and SSI Benefits.

Number of Respondents: 283,460.
Frequency of Response: 1.

Average Burden Per Response: 15 minutes.

Estimated Annual Burden: 70,865 hours.

4. Representative Payee Report of Benefits and Dedicated Account—0960-0576. The Social Security Administration uses Form SSA-6233 to ensure that payment of SSI benefits is made to a relative, another person, or an organization when the best interests of the beneficiary would be served. The form is also used to ensure that the representative payee is using the benefits received for the beneficiary's current maintenance and personal needs and that expenditures of funds from the dedicated account are in compliance with the law. The respondents are individual and organizational representative payees required by law to establish a separate ("dedicated") account in a financial institution for certain past-due SSI monthly benefits.

Number of Respondents: 30,000.
Frequency of Response: 1.

Average Burden Per Response: 20 minutes.

Estimated Annual Burden: 10,000 hours.

Written comments and recommendations regarding the information collection(s) should be sent within 60 days from the date of this publication, directly to the SSA Reports Clearance Officer at the following address: Social Security Administration, DCFAM, Attn: Nicholas E. Tagliareni, 6401 Security Blvd., 1-A-21 Operations Bldg., Baltimore, MD 21235.

In addition to your comments on the accuracy of the Agency's burden estimate, we are soliciting comments on the need for the information; its practical utility; ways to enhance its quality, utility and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology.

To receive a copy of any of the forms or clearance packages, call the SSA Reports Clearance Officer on (410) 965-4125 or write to him at the address listed above.

Date: October 6, 1997.

Nicholas E. Tagliareni,
Reports Clearance Officer Social Security Administration.
