On October 2, 1995, pursuant to Section 4(c) of the Commodity Exchange Act ("Act"), 7 U.S.C. § 6(c) (1994), the Commission published final rules in the **Federal Register** which exempted certain contract market transactions from specified requirements of the Act and Commission regulations thereunder (60 FR 51323). In compliance with the Paperwork Reduction Act of 1995, the Commission solicits comments to:

- (1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including the validity of the methodology

and assumptions used; (2) evaluate the accuracy of the agency's estimate of the burden of the collection of information including the validity of the methodology and assumptions used; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of the information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
