DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 961107312-7021-02; I.D. 100797A]

Fisheries of the Exclusive Economic Zone Off Alaska; "Other Rockfish" Species Group in the Bering Sea Subarea

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS is prohibiting retention of the "other rockfish" species group in the Bering Sea subarea of the Bering Sea and Aleutian Islands management area (BSAI). NMFS is requiring that catch of "other rockfish" in this area be treated in the same manner as prohibited species and discarded at sea with a minimum of injury. This action is

necessary because the "other rockfish" species group 1997 total allowable catch (TAC) in this area has been reached.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), October 8, 1997, until 2400 hrs, A.l.t., December 31, 1997.

FOR FURTHER INFORMATION CONTACT: Mary Furuness, 907-586-7228.

SUPPLEMENTARY INFORMATION: The groundfish fishery in the BSAI exclusive economic zone is managed by NMFS according to the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Islands Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Fishing by U.S. vessels is governed by regulations implementing the FMP at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 1997 TAC of the "other rockfish" species group in the Bering Sea subarea was established as 317 metric tons by the Final 1997 Harvest Specifications of Groundfish for the BSAI (62 FR 7168, February 18, 1997). See § 679.20(c)(3)(iii).

In accordance with § 679.20(d)(2), the Administrator, Alaska Region, NMFS, has determined that the 1997 TAC for the "other rockfish" species group in the Bering Sea subarea has been reached. Therefore, NMFS is requiring that further catches of "other rockfish" in the Bering Sea subarea be treated as

prohibited species in accordance with § 679.21(b).

Classification

This action responds to the best available information recently obtained from the fishery. It must be implemented immediately to prevent overharvesting the 1997 TAC for the "other rockfish" species group in the Bering Sea subarea of the BSAI. Providing prior notice and opportunity for public comment is impracticable and contrary to public interest. The fleet has taken the directed fishing allowance for the "other rockfish" species group in the Bering Sea subarea. Further delay would only result in overharvest and disrupt the FMP's objective of not exceeding the TAC throughout the year. NMFS finds for good cause that the implementation of this action cannot be delayed for 30 days. Accordingly, under 5 U.S.C. 553(d), a delay in the effective date is hereby waived.

This action is required by § 679.20 and is exempt from review under E.O. 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: October 8, 1997.

Bruce Morehead,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
