

with the Commission and open to public inspection.

Koch asserts that the proposed certification of facilities will enable Koch to provide transportation services under its blanket transportation certificate through a tap serving Entex, Inc. (Entex), a local distribution company, in Harris County, Texas. Koch states that the estimated average day and peak day requirements for this delivery point are 600 MMBtu and 3,600 MMBtu, respectively. Koch further states that such volumes will be transported pursuant to either, or a combination of Koch's Firm Transportation (FTS) or No Notice Transportation Service (NNS) rate schedules. Koch further asserts that the tap and meter station cost approximately \$40,000.

Any person or the Commission's Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
