FEDERAL MARITIME COMMISSION

[Docket No. 97-18]

APL/MOL/OOCL/HMM Reciprocal Slot Exchange Agreement, Agreement No. 203-011588; Order To Show Cause

Introduction

This proceeding is instituted pursuant to sections 10(c) (6) and 11 of the Shipping Act of 1984 ("1984 Act"), 46 U.S.C. app. §§ 1709(c)(6) and 1710. The APL/MOL/OOCL/HMM Reciprocal Slot Exchange Agreement, Agreement No. 203-011588 ("the Agreement"), an agreement for the reciprocal chartering of space aboard vessels operated in the U.S. foreign trades by the agreement members, appears to reserve for one member of the Agreement the carriage of

cargo offered by shippers subject to U.S. cargo preference laws.

Under section 10(c)(6) of the 1984 Act, 46 U.S.C. app. § 1709(c)(6), it is unlawful for any conference or group of two or more common carriers to allocate shippers among specific carriers that are parties to the agreement or prohibit a carrier that is a party to the agreement from soliciting cargo from a particular shipper, except as otherwise required by the law of the United States or the importing or exporting country. * * *

It appears that the Agreement on its face presents a violation of section 10(c)(6). Therefore, pursuant to section 11 of the 1984 Act, the parties to the Agreement are ordered to show cause why the Agreement should not be found to be in violation of the 1984 Act and should not be disapproved, canceled or modified accordingly.

Background

The Agreement, entered into by the parties on August 29, 1997, was filed with the Federal Maritime Commission ("Commission" or "FMC") on September 2, 1997, pursuant to section 5 of the 1984 Act, 46 U.S.C. app.
