#### **National Oil and Hazardous Substances Contingency Plan; National Priorities List Update**

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of deletion of the Northern Engraving Corporation Superfund Site from the National Priorities List (NPL).

**SUMMARY:** The Environmental Protection Agency (EPA) announces the deletion of the Northern Engraving Corporation Superfund Site in Wisconsin from the National Priorities List (NPL). The NPL is Appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Contingency Plan (NCP), which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended. This action is being taken by EPA and the State of Wisconsin, because it has been determined that Responsible Parties have implemented all appropriate response actions required. Moreover, EPA and the State of Wisconsin have determined that remedial actions conducted at the site to date remain

protective of public health, welfare, and the environment.

**EFFECTIVE DATE:** October 29, 1997.

**FOR FURTHER INFORMATION CONTACT:** Robert Whippo (312) 886–1476 (SR–6J), Remedial Project Manager or Gladys Beard at (312) 886–7253, Associate Remedial Project Manager, Superfund Division, U.S. EPA—Region V, 77 West Jackson Blvd., Chicago, IL 60604. Information on the site is available at the local information repository located at: Sparta Free Library, W. Main & Court Sts., Sparta, WI 54656. Requests for comprehensive copies of documents should be directed formally to the Regional Docket Office. The contact for the Regional Docket Office is Jan Pfundheller (H–7J), U.S. EPA, Region V, 77 W. Jackson Blvd., Chicago, IL 60604, (312) 353–5821.

**SUPPLEMENTARY INFORMATION:** The site to be deleted from the NPL is: Northern Engraving Corporation Superfund Site located in Sparta, Wisconsin. A Notice of Intent to Delete for this site was published September 11, 1997 (62 FR 47784). The closing date for comments on the Notice of Intent to Delete was October 10, 1997. EPA received no comments and therefore no Responsiveness Summary was prepared.

The EPA identifies sites which appear to present a significant risk to public health, welfare, or the environment and it maintains the NPL as the list of those sites. Sites on the NPL may be the subject of Hazardous Substance Response Trust Fund (Fund-) financed remedial actions. Any site deleted from the NPL remains eligible for Fund-financed remedial actions in the unlikely event that conditions at the site warrant such action. Section 300.425(e)(3) of the NCP states that Fund-financed actions may be taken at sites deleted from the NPL in the unlikely event that conditions at the site warrant such action. Deletion of a site from the NPL does not affect responsible party liability or impede agency efforts to recover costs associated with response efforts.

#### **Medicare Program; Changes in Provider Agreement Regulations Related to Federal Employees Health Benefits**

**AGENCY:** Health Care Financing Administration (HCFA), HHS.

**ACTION:** Final rule.

**SUMMARY:** This final rule makes two changes to Medicare’s provider agreement regulations concerning payment for inpatient hospital services furnished to retired enrollees of fee-for-service Federal Employees Health Benefits (FEHB) plans who do not have Medicare Part A coverage. The first change specifies that payment for inpatient hospital services furnished to retired Federal workers age 65 or older who are enrolled in a fee-for-service FEHB plan but are not covered under Medicare Part A is limited to a payment amount that approximates the Medicare diagnosis-related group payment rates established under Medicare’s inpatient hospital prospective payment system.

The second change specifies that HCFA will consider termination or nonrenewal of a hospital’s provider agreement with Medicare if a hospital knowingly and willfully fails to accept, on a repeated basis, the Medicare rate as payment in full for inpatient hospital services provided to a retired Federal worker who is enrolled in a fee-for-service FEHB plan and who does not have Medicare Part A coverage.

This final rule implements section 7002(f) of the Omnibus Budget Reconciliation Act of 1990.
