

Service (IRS) 1099 tax reporting and Federal 1057 socio-economic information on Federal I.M.P.A.C. (International Merchant Purchase Authorization Card) credit card transactions. The VA, with the assistance of an outside entity, sends VA Form Letter 4-555 to collect the necessary information from merchants the Federal government has done business with using the I.M.P.A.C. credit card. The form letter supports the validity and urgency for the collection of information and provides a standardized format for reporting. The General Services Administration (GSA) could not issue this type of collection of information at this time, due to the current re-procurement status for the purchase credit card.

It is essential to the VA's reporting requirements that this type of information be collected for our I.M.P.A.C. card transactions. By law, VA as well as all Federal agencies, must report 1099 status and also have requirements to report the socio-economic status of the merchants with whom we do business.
