2. The action does not appear to have a severe economic impact on current contractors for the commodities and service.

3. The action will result in authorizing small entities to furnish the commodities and service to the Government.

Foreign-Trade Zones Board

[Docket 76-97]

Foreign-Trade Zone 143—Sacramento, CA; Application for Subzone Status; The Gymboree Corporation (Apparel, Accessories and Toys), Dixon, California

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Sacramento, grantee of FTZ 143, requesting subzone status for the warehousing/distribution facility of the Gymboree Corporation (Gymboree), located in Dixon, California, some 25 miles west of Sacramento. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on October 24, 1997.

The facility (300,000 sq. ft. on 15 acres; 100 employees) is located at 2299 Kids Way in Dixon. It is used to store, distribute and repackage a wide range of consumer products, including children's apparel, accessories, shoes and toys, most of which are sourced from abroad. The products are distributed throughout the U.S. and abroad.

Zone procedures would exempt Gymboree from Customs duty payments on the foreign products that are reexported. On its domestic sales, it would be able to defer Customs duty payments on foreign-sourced items. The application indicates that zone savings would help improve the international competitiveness of the distribution facility.

In accordance with the Board's regulations, a member of the FTZ staff has been appointed examiner to

investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is December 30, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period January 14, 1998.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce Export Assistance Center, 917 7th St., 2nd Floor, Sacramento, California 95814
