FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority 5 CFR 1320 Authority; Comments Requested

October 30, 1997.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Persons wishing to comment on this information collection should submit comments January 5, 1998.

ADDRESSES: Direct all comments to Jerry Cowden, Federal Communications Commission, Room 240-B, 2000 M St., N.W., Washington, DC 20554, or via internet to jcowden@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection contact Jerry Cowden at 202-418-0447 or via internet at jcowden@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0308.
Title: Section 90.505 Developmental operation, showing required.

Form No.: N/A.

Type of Review: Extension of existing collection.

Respondents: Businesses or other for-profit, state, local or tribal government, not-for-profit institutions.

Number of Respondents: 100.

Estimated Time Per Response: 2 hours.

Total Annual Burden: 200 hours.

Needs and Uses: The information collection requirement contained in Section 90.505 is needed to gather data on developmental programs for which a developmental authorization is sought. The information is used to evaluate the desirability of issuing such an authorization from spectrum use and interference potential considerations. If the information was not collected the value of developmental programs would be severely limited.

Federal Communications Commission.

William F. Caton,

Acting Secretary.
