Mechanical Transfer Presses From Japan: Extension of Time Limits for Preliminary Results of Antidumping Administrative Review, and Partial Rescission of Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limits for preliminary results of antidumping administrative review and partial rescission of administrative review.

EFFECTIVE DATE: November 10, 1997.

FOR FURTHER INFORMATION CONTACT: Elisabeth Urfer or Maureen Flannery, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-0780 or (202) 482-3020, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act.

Rescission

The Department of Commerce received a request from petitioners to conduct an administrative review of the antidumping duty order on mechanical transfer presses from Japan. On March 18, 1997 (62 FR 12793), the Department initiated this administrative review covering the period March 1, 1996 through February 28, 1997.

On June 16, 1997, the petitioners withdrew their request for an administrative review with respect to Ishikawajima-Harima Heavy Industries, Ltd. (IHI). Petitioners' request was made within ninety days of publication of the notice of initiation, in accordance with Section 353.22(a)(5) of the Department's regulations. IHI also requested that the Department terminate the administrative review on June 23, 1997. Because petitioner made a timely request, and because we have not devoted considerable time and resources to IHI, rescinding this review with respect to IHI would not prejudice any party in this proceeding. In accordance with Section 353.22(a)(5) of the Department's regulations, we rescind this review with respect to IHI.

(See Memorandum To Edward Yang From Maureen Flannery dated August 11, 1997, "Request for Termination of Review, in Part, in the 1996-1997 Administrative Review of the Antidumping Duty Order on Mechanical Transfer Presses from Japan.")

Extension of Time Limits for Preliminary Results

Because of the complexity of certain issues in this case, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act. See Memorandum from Joseph A. Spetrini to Robert S. LaRussa, Extension of Time Limit for the Administrative Review of Mechanical Transfer Presses from Japan, dated October 23, 1997. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limits for the preliminary results to February 28, 1998.

Dated: October 31, 1997.

Joseph A. Spetrini,

Deputy Assistant Secretary for AD/CVD Enforcement III.

Porcelain-on-Steel Cooking Ware From Mexico; Notice of Court Decision

AGENCY: International Trade Administration/Import Administration, Department of Commerce.

ACTION: Notice of court decision.

SUMMARY: On September 16, 1997, the United States Court of International Trade affirmed the Department of Commerce's redetermination on remand regarding its determination to rely on the transfer price of enamel frit submitted by Cinsa, S.A. de C.V. for purposes of constructed value for the administrative review covering the period December 1, 1989 through November 30, 1990. This notice is published because this Court determination was not in harmony with the Department of Commerce's original determination in this review.

EFFECTIVE DATE: November 10, 1997.
