[Docket No. CP98-68-000]

Natural Gas Pipeline Company of America; Notice of Request under Blanket Authorization

November 13, 1997.

Take notice that on November 5, 1997, Natural Gas Pipeline Company of America (Natural), 701 East 22nd Street, Lombard, Illinois 60148, filed in Docket No. CP98-68-000 a request pursuant to Sections 157.205, and 157.212, of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to construct and operate facilities in Lonoke County, Arkansas, under Natural's blanket certificate issued in Docket No. CP82-402-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Natural proposes to install a 2-inch meter and 3-inch side tap facilities for an interconnection with Arkla, a Division of Noram Energy Corporation (Arkla). These facilities will be constructed to deliver approximately 1,000 MMBtu per day of natural gas to Arkla in Cabot, Arkansas. They are estimated to cost \$55,000. Natural states that it has sufficient capacity to provide these services at the proposed delivery point without detriment or disadvantage to Natural's peak day and annual delivery capacity.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no request is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a

protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

[Docket No. CP98-73-000]

Texas Gas Transmission Corporation; Notice of Request Under Blanket Authorization

November 13, 1997.

Take notice that on November 6, 1997, Texas Gas Transmission Corporation (Texas Gas), P.O. Box 20008, Owensboro, Kentucky 42304, filed in Docket No. CP98-73-000 a request pursuant to Sections 157.205, and 157.211, of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to operate an existing delivery point under Texas Gas's blanket certificate issued in Docket No. CP88-686-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Texas Gas proposes to operate an existing 3-inch delivery meter and related facilities that was originally constructed under the authority of Section 311 of the Natural Gas Policy Act of 1978 to transport gas for Natural Gas of Kentucky, Inc. (NGKY). The facilities are located at mile 3+2750 on Texas Gas's Russellville Bowling Green 8-inch line in Logan County, Kentucky. Texas Gas states that because only interruptible transportation service is proposed to be provided to NGKY at this point, the proposal will have no significant effect on Texas Gas's peak day and annual deliveries, and service to NGKY through this point can be accomplished without detriment to Texas Gas's other customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is

filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
