DEPARTMENT OF DEFENSE**Department of the Navy**

Notice of Public Hearing for the Joint Draft Environmental Impact Statement/ Environmental Impact Report (DEIS/ DEIR) for the Disposal and Reuse of the Former Hunters Point Naval Shipyard, San Francisco, California

SUMMARY: Pursuant to the Council on Environmental Quality regulations (40 CFR parts 1500-1508), implementing the procedural provisions of the National Environmental Policy Act, and pursuant to the California Environmental Quality Act (Public Resources Code Section 21000, *et seq.*), the Department of the Navy and the City of San Francisco have prepared and filed with the U.S. Environmental Protection Agency a joint Draft Environmental Impact Statement/ Environmental Impact Report (DEIS/ DEIR) for the disposal and reuse of the former Hunters Point Naval Shipyard, San Francisco, California.

A Notice of Intent (NOI) to prepare the DEIS/DEIR was published in the **Federal Register** on 27 June 1995. A public scoping meeting for the proposed project was held on 12 July 1995 at Southeast Community Center, San Francisco, California.

Hunters Point Naval Shipyard is closed, pursuant to the Defense Base Closure and Realignment Act (Pub. L. 101-510) as implemented by the 1993 base closure process. Under Section 2824 of Pub. L. 101-510, as amended, the Navy plans to convey the former Naval Shipyard to the City of San Francisco. The proposed federal action involves the disposal of land, buildings and infrastructure of former Hunters Point Naval Shipyard for subsequent reuse. The City of San Francisco and the San Francisco Redevelopment Agency have been involved in a process to determine the reuse plans of the Naval Shipyard.

The environmental effects of two conceptual land use development alternatives (reuse alternatives) and the "No Action" alternative have been evaluated in the DEIS/DEIR. Each of the reuse alternatives describes proposed uses for approximately 935 acres of shipyard property. Proposed reuse alternatives emphasize mixed land uses including residential, industrial, maritime industrial, cultural, institutional, research and development, and open space.

No decision on the proposed action will be made until the National

Environmental Policy Act process has been completed.

The DEIS/DEIR has been distributed to various federal, state and local agencies, local groups, elected official, special interest groups and individuals. The DEIS/DEIR is also available for review at the following locations:

- San Francisco Planning Department, Planning Information Center, 1660 Mission Street.
- San Francisco Main Library, Civic Center, Larkin & Grove Streets.
- San Francisco Public Library, Anna E. Waden Branch, 5075 Third Street.
- San Francisco Redevelopment Agency, 770 Golden Gate Ave.

ADDRESSES: Two public hearings will be held for the purpose to receive oral and written comment on the DEIS/DEIR. The first hearing will be held on Wednesday, December 10, 1997, at 5:00 p.m., in Building 101, at Hunters Point Naval Shipyard, San Francisco. The second hearing will be held at a joint meeting of the San Francisco Planning Commission and the San Francisco Redevelopment Agency Commission on Thursday, December 11, 1997, at 1:30 p.m., in Room 404, War Memorial Veterans' Building, 401 Van Ness Avenue, San Francisco.
