The Air Force Memorial Foundation was authorized to establish a memorial on Federal land in the District of Columbia or its environs to honor the men and women who have served in the United States Air Force and its predecessors. The memorial was authorized on December 2, 1993 by enactment of Public Law 103-163 and is being developed pursuant to the Commemorative Works Act, 40 U.S.C. Sec. 1001 *et seq.* This site was approved by the National Capital Memorial Commission on March 24, 1994, the National Park Service on July 8, 1994, the Commission of Fine Arts (CFA) on September 14, 1994, and the National Capital Planning Commission (NCPC) on May 4, 1995.

While the design concept for the memorial was approved by the CFA on February 15, 1996, and by the NCPC on March 7, 1996, the final design must still be approved by the Secretary of the Interior, the CFA and the NCPC. Compliance with Section 106 of the Historic Preservation Act of 1966 was initiated on March 15, 1996, with a determination of no adverse affect in which both Commonwealth of Virginia and the District of Columbia State Historic Preservation Offices have concurred. The next phase in planning is to produce a development concept plan.
