

desired information in a timely and uniform manner. The information advises FMCS of the parties involved, type of negotiation, number of employees, date of contract termination or reopening, and the names and phone numbers of contact persons. The information supplied by the parties is collected by the FMCS Notice Processing Unit (NPU) and distributed by NPU to the appropriate FMCS field office for assignment of a federal mediator. Parties are not required to use Form F-53 to request services or assistance. The entities affected by this action are approximately 600 federal agencies and labor unions. The form is filled out once per request, and the time required to fill it out is estimated to be 10 minutes or less. Approximately 1,000 forms are submitted annually. FMCS seeks a three (3) year extension without modification for Form F-53. Form F-53 is scheduled to expire on November 30, 1997; however, OMB has granted the agency a short-term extension until February 19, 1998.

REQUEST FOR COMMENTS: FMCS solicits comments on:

- (1) The necessity of the collection of information for the proper performance of the functions of the agency;
- (2) The accuracy of the agency's estimate of the burden on respondents of the collection of information;
- (3) The clarity and utility of the information collected; and
- (4) The manner by which the burden associated with respondents' collection of information could be minimized.

Dated: November 21, 1997.
