

Security Act, and the Basic State Grant under the Child Abuse Prevention and Treatment Act. It writes regulations and interprets policy for the Bureau's formula and entitlement grant programs, and responds to requests for policy clarification from ACF Regional Offices and a variety of other sources.

3. Division of Program Implementation provides leadership and direction in the operation and review of programs under titles IV-B and IV-E of the Social Security Act, and the Basic State Grant under the Child Abuse Prevention and Treatment Act. It develops program instructions, information memoranda, and annual reports. It analyzes State Plans and develops State profiles and other reports; participates in monitoring and reviewing State information systems to ensure the accuracy and relevancy of the data. It is responsible for the Monitoring Team, which schedules and coordinates the monitoring of State reviews and ensures effective corrective action if necessary. It works with appropriate other agencies and organizations on the implementation and oversight of relevant sections of the Indian Child Welfare Act. It is the focal point for financial issues, including disallowances, appeals, and the decisions of the Departmental Appeals Board (DAB). It responds to client and constituent correspondence received electronically and from a variety of sources.

4. Division of Data, Research and Innovation provides leadership and direction in program development, innovation, research and in the management of the Bureau's information systems under titles IV-B and IV-E of the Social Security Act, and under the Child Abuse Prevention and Treatment Act. It defines critical issues for investigation and makes recommendations regarding subject areas for research, demonstration and evaluation. It administers the Bureau's discretionary grant programs, and awards project grants to State and local agencies and organizations nationwide. It provides direction to the Crisis Nurseries and Abandoned Infants Resource Centers. It is responsible for the Data and Technology Team which analyzes and disseminates program data from the Adoption and Foster Care Analysis and Reporting System (AFCARS), and the National Child Abuse and Neglect Data System (NCANDS); develops systematic methods of measuring the impact and effectiveness of various child welfare programs; performs statistical sampling functions; provides comprehensive guidance to States, local agencies and

others on data collection issues, and performance and outcome measures; and is the focal point for technology development within the Bureau.

5. Division of Child Welfare Capacity Building provides leadership and direction in the areas of training, technical assistance and information dissemination under titles IV-B and IV-E of the Social Security Act, and under the Child Abuse Prevention and Treatment Act. Either directly or through the Resource Centers, it provides training and technical assistance to assist service providers, State and local governments and tribes, and strengthen headquarters and regional office staff. It manages section 426 discretionary training grants and title IV-E training. It directs the operations and activities of the National Center on Child Abuse and Neglect Information Clearinghouse and the National Adoption Information Clearinghouse. It identifies best practices for treating troubled families and preventing abuse and neglect. It participates in the development of grant announcements, and manages certain discretionary grant projects. It develops and issues a periodic newsletter, and is the focal point for conference and meeting planning activities for the Bureau.
