

drawings in NARA holdings in College Park, MD, and to distribute copies of the Memorandum of Agreement which must be completed for participation in the program. Under this privatization program, NARA has permitted vendors to set up work stations in its building located in College Park, MD, where the still photographs and cartographic and architectural records of three NARA archival units are housed and made available. The three NARA units refer customer requests for reproduction of these media to the vendors, who determine fees, collect payments, perform the copying work, and mail the reproductions to the customers. Based on a satisfactory review of the program's overall performance, NARA has decided to extend the program for another year, though with some modifications.

Effective March 6, 1998, the next anniversary date, NARA will open the program to interested vendors for a fourth year. All vendors interested in this program, including vendors already participating, are invited to attend a meeting on January 7, 1998, where copies of a Memorandum of Agreement specifying the terms of the program will be distributed. A follow-up meeting has been scheduled for February 4, 1998, to answer any remaining questions from vendors. Attendance at the meetings does not require reservations. Attendance is encouraged, but not required, to participate in the program.

DATES: The initial meeting will be held on Wednesday, January 7, 1998, at 10 a.m. Copies of the Memorandum of Agreement also will be available beginning January 7, 1998, by contacting William T. Murphy (see **FOR FURTHER INFORMATION CONTACT**).

The follow-up meeting will be held on Wednesday, February 4, 1998, at 10 a.m.

Signed copies of the Memorandum of Agreement must be received by NARA by February 28, 1998.

ADDRESSES: The meetings will be held at the National Archives at College Park, in lecture room A, located at 8601 Adelphi Road, College Park, MD.
