Industrial Nitrocellulose From Brazil; Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of Antidumping Duty Administrative Review.

SUMMARY: On August 28, 1997, the Department of Commerce ("the Department") published in the Federal Register (62 FR 45621) a notice announcing the initiation of an administrative review of the antidumping duty order on industrial nitrocellulose from Brazil. This review covered the period July 1, 1996 through June 30, 1997. This review has now been rescinded at the request of the petitioner.

EFFECTIVE DATE: December 15, 1997.

FOR FURTHER INFORMATION CONTACT: Alain Letort or John Kugelman, AD/CVD Enforcement Group III—Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4243 or (202) 482-0649, respectively, or fax (202) 482-1388.

SUPPLEMENTARY INFORMATION: On July 30, 1997, the petitioner, Hercules Incorporated ("Hercules"), requested an administrative review of Companhia Nitro Quimica Brasileira ("Nitro Quimica"), a Brazilian producer and exporter of industrial nitrocellulose, with respect to the antidumping duty order published in the Federal Register on July 10, 1990 (55 FR 28266). We initiated this review on August 28, 1997 (62 FR 45621).

On November 26, 1997, Hercules withdrew its request for review, claiming that an industrial accident at Nitro Quimica's production facilities in Brazil had resulted in the shutdown of those facilities. Hercules stated that Nitro Quimica "will not be in a position for some time to dump industrial nitrocellulose in the United States and thereby contribute to the ongoing material injury of petitioner."

Section 351.213(d)(1) of the Department's regulations provides that "[t]he Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." See 19 CFR § 351.213(d)(1) (1997). Because the only party which requested a review has withdrawn its request within the regulatory time limit, we are now rescinding this review. The cash deposit rate for this firm will continue to be the rate established in the most recently completed segment of this proceeding.
