Notice of Intent

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent to prepare proposed plan amendment for the San Juan Resource Management Plan (RMP).

SUMMARY: The Bureau of Land Management San Juan Field Office is proposing to amend the San Juan RMP in order to change certain specific management decisions regarding recreation and other programs.

DATES: Comments on these proposed amendments should be submitted no later than 30 days after publication of this notice or January 16, 1998 to the address listed below.

ADDRESSES: Comments and/or questions regarding this proposed amendment must be submitted to San Juan Field Office, Bureau of Land Management, 435 North Main Street, P. O. Box 7, Monticello, UT 84535.

FOR FURTHER INFORMATION CONTACT: Robin Fehlau, Outdoor Recreation Planner, Project Lead, San Juan Field Office, Bureau of Land Management, 435 North Main Street, P. O. Box 7, Monticello, UT 84535. Telephone (801) 587-1500.

SUPPLEMENTARY INFORMATION: The San Juan RMP was approved in March of 1991. Since that period there has been a significant increase in recreational use that has led to degradation of sensitive resources including riparian areas, cultural sites, visual resources etc., in the Indian Creek Area and other areas of the Canyon Basins Special Recreation Management Area. Preliminary issues that have been identified for proposed plan amendment include camping restrictions and modifications to existing OHV designations in order to reduce resource degradation, firewood closures to reduce degradation in

riparian areas, and the addition of specific management prescriptions in the Bridger Jack Mesa Areas of Critical Environmental Concern (ACEC), Lavender Mesa ACEC, and Shay Canyon ACEC to reduce resource degradation from uncontrolled recreation use.

No new planning criteria have been developed specifically for this proposed plan amendment. An interdisciplinary team will be used to analyze this proposed amendment in addition to other alternatives that may be considered.

Dated: December 10, 1997.

Linda Colville,

Acting State Director.
