[Docket No. CP94-29-003]

#### Paiute Pipeline Company; Notice of Compliance Filing

December 12, 1997.

Take notice that on December 4, 1997, Paiute Pipeline Company (Paiute) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1-A, the following tariff sheets, to be effective January 1, 1998.

Eighth Revised Sheet No. 10  
Third Revised Sheet No. 21  
Third Revised Sheet No. 63  
Second Revised Sheet No. 63A  
Seventh Revised Sheet No. 161

Paiute asserts that the purpose of this filing is to comply with the Commission's order issued August 1, 1996 in Docket No. CP94-29-000, et al.

Paiute states that the Commission's order, among other things, authorized Paiute to construct and operate certain pipeline loop and pressure regulating and measurement facilities, referred to as the Lake Tahoe Area expansion facilities. According to Paiute, the purpose of the expansion facilities is to expand the delivery capacity of Paiute's system between the Wadsworth Junction and the terminus of the North Tahoe Lateral to enable Paiute to deliver

an additional 10,333 Dth/d to Southwest Gas Corporation—Northern California and an additional 2,455 Dth/d to Southwest Gas Corporation—Northern Nevada at its Incline Village delivery points. Paiute states that the Commission's order authorized Paiute to recover the cost of service associated with the expansion project by means of an incremental rate surcharge to be assessed to the two shippers. By its filing, Paiute proposes to establish the initial incremental rate and tariff sheets be permitted to become effective on January 1, 1998, in order to coincide with the expected in-service date of the expansion construction project.

Any person desiring to be heard or to protest this filing should file on or before January 2, 1998, a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP98-111-000]

#### Sea Robin Pipeline Company and Transcontinental Gas Pipe Line Corporation; Notice of Application

December 12, 1997.

Take notice that on December 3, 1997, Sea Robin Pipeline Company (Sea Robin), P.O. Box 2563, Birmingham, Alabama 35202-2563, and Transcontinental Gas Pipe Line Corporation (Transco), P.O. Box 1396, Houston, Texas 77251-1397, filed in Docket No. CP98-111-000 an abbreviated joint application pursuant to Section 7(b) of the Natural Gas Act for

permission and approval to abandon a transportation service for Transco performed under Sea Robin's Rate Schedule X-28 which was authorized in Docket No. CP79-433, all as more fully set forth in the application on file with the Commission and open to public inspection.

Sea Robin and Transco state that Sea Robin has provided transportation service of up to 4,690 Mcf per day on behalf of Transco pursuant to Sea Robin's Rate Schedule X-28 from Eugene Island Block 261, offshore Louisiana, to delivery points onshore at Erath, Louisiana. Such service was provided pursuant to a transportation agreement dated October 2, 1980, which primary term expired December 4, 1990, and the term of the agreement extended from year to year thereafter. Transco states that the abandonment of this Rate Schedule is appropriate since Transco has not nominated gas or received service under the agreement since March, 1992. The abandonment of the Rate Schedule will not require any abandonment of facilities. Sea Robin and Transco state that they are agreeable to the termination effective as of the date the Commission approves abandonment of Rate Schedule X-28.

Any person desiring to be heard or to make any protest with reference to said application should on or before January 2, 1998, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to
